

The Management of SCITEK Consultants Ltd. is committed to minimising the impact of its activities on the environment.

We will ensure that we comply with existing and future environmental legislation and in accordance with BS EN ISO 14001:2015

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet or exceed all the environmental legislation that relates to SCITEK Consultants Ltd

This policy will be made available to all interested parties.
